

Brandon Flores

Safety & Infection Prevention Specialist I

bflores@oshasolutions.com

Brandon Flores was born and raised in Las Vegas. He attended the medical magnet program at Rancho High School, sparking an interest in science and healthcare. He graduated with a bachelor's degree in Community Health Sciences from UNR in Reno. Following college, Brandon worked as the Wellness Coordinator for Washoe County. He eventually found his way back to his hometown in Vegas. Upon his return, while completing his master's degree in Biomechanics, Brandon worked as a strength and conditioning coach for the UNLV football team. Following his master's program, Brandon spent the next year and a half developing, building, and providing custom prosthetics to war veterans, athletes and children born with disabilities. Growing up a highly competitive athlete, Brandon brings an unrelenting work ethic and an analytic mindset to our team. Outside of the office, you can find him throwing around some heavy weights and playing with his dog Obi-Wan.
