

## Chris Flores

### Safety Operations & Support Specialist

[cflores@oshasolutions.com](mailto:cflores@oshasolutions.com)

Native to California, Chris moved to the Las Vegas Valley in 2001. He graduated from East Career and Technical Academy with an emphasis in Electrical Engineering. He was awarded an internship with the Nevada System of Higher Education while still in High School and worked under a grant from the Department of Labor soon thereafter. While there, Chris played a key role in their safety management and training programs. He brings with him to Compliance Alliance a tremendous sense of humor combined with a strong background in clerical, administrative, safety management and safety education. He is ready to assist our clients and Safety & Infection Prevention Specialists with anything from hiking trail recommendations to GHS labels.
