

Joy Marsico

Financial Operations & Support Specialist

joy@oshasolutions.com

A native of Pennsylvania, and honors graduate of Business Careers Institute. Joy is a proud Gold Star Mother, serving Southern Nevada's military and veteran community and we thank her and her family for their duty, honor and sacrifice to all Americans. Joy brings twenty-eight years of accounting and customer service experience to this position. Her career thus far has encompassed such responsibilities as helpdesk support, application training, and quality control and assurance. Her life experience is vast and varied. She loves animals, trains exotic animals, and has extensive experience managing in the veterinary environment. We couldn't be more pleased that she has joined our team, leading our accounting department in all facets of accounts payable and accounts receivable; Joy is ready to assist our clients with any component of billing, webinars, scheduling, issuing continuing education units and much more.
