

Sydney Miranda

Safety & Infection Prevention Specialist I

Sydney Miranda joined our team in March of 2022. She is originally from Sacramento, California, and just recently moved to Las Vegas in September of 2021. She attended the University of Nevada, Reno, and graduated in May of 2021 with a Bachelor's in Public Health Sciences. During her time as an undergraduate, she interned for Nevada Cancer Coalition, where she worked on Smoke-free initiatives throughout Reno, Sparks, and Washoe County. In her free time, she enjoys hiking, working out, and spending time with her cat, Nash.
